

# HEANOR GATE SCIENCE COLLEGE

“Develop all learners to achieve their full potential”

“Create a culture of aspiration”

## Use of Catch Up Premium Statement

The Year 7 Catch Up Premium, allocated to schools from January 2013 onwards, is used by schools to provide literacy and numeracy catch up for Year 7 students. It enables those students who did not meet nationally expected standards for their age (a score of 100 in the SAT's at Key Stage 2) a chance to catch up as quickly as possible.

In 2017-18 Heanor Gate received £9,500 in Catch Up Funding.

At Heanor Gate, we employ a number of strategies to help pupils catch up. Examples of these used in the current year include:

- CATs, reading age and other similar tests to establish baselines to milestone students' progress against
- Hackney Literacy Intervention in small groups – a purchased scheme designed to help pupils with reading and writing
- Numeracy/maths interventions in small groups
- Targeted in class provision within English and maths
- Breakfast reading Club using Y11 mentors
