

HEANOR GATE SCIENCE COLLEGE

“Develop all learners to achieve their full potential”
“Create a culture of aspiration”

Principal: **Mr S Huntington**

February 2020

Dear Parent/Carer

The Year 12 public services group have been planning an expedition over the last few weeks. This walk is an assessment and will be around Ladybower Reservoir and the surrounding moorland, on Wednesday 26 February 2020. Students will be travelling via minibus, leaving school at 0800 and will return to school at approximately 1700. This walk is compulsory and is an essential part of the public services course. If the weather is severe for that region on the day, the walk will be postponed for safety reasons

Students should bring appropriate footwear and warm clothing. Part of the assessment is the planning process, which involves selecting suitable equipment and clothing, so the students should know what to bring with them. Waterproof jackets/trousers, walking boots and rucksacks can be provided by the public services stores if required. A packed lunch and snacks are also needed – a hot drink in a flask would also be beneficial.

.This trip is free. However, please logon to ParentPay to give your consent for your child to participate.

Yours sincerely

Mr M Jackson
Public Services Teacher
