

HEANOR GATE SCIENCE COLLEGE

“Develop all learners to achieve their full potential”
“Create a culture of aspiration”

Principal: **Mr S Huntington**

January 2020

Dear Parent/Carer

The Year 12 and 13 Cambridge Technical in Sport groups are required to undertake a hill walk which is a part of their Unit 18 assessment. To achieve this, we plan to take the students during the school's second immersion day on Wednesday 12 February 2020. The walk is approximately 6 miles and will follow a circular route around Curbar, located in the Peak District.

Students will be travelling via minibus, leaving school at 8.30am and will return at approximately 5.00pm. If the weather is severe for that region on the day, the walk will be postponed for safety reasons.

Students should wear appropriate footwear and warm clothing, as per the previous walks. Waterproof jacket /trousers, walking boots and rucksacks can be provided by the school if requested. A packed lunch and snacks is also required – a hot drink in a flask would also be beneficial. **Please be aware that we have students who may be participating in this trip who have a serious nut allergy. Please avoid giving your son/daughter bagged nuts or products with a nut content, as even the smell can cause these students anxiety.**

This trip is free. However, please logon to ParentPay to give consent for your child to participate.

Yours sincerely

Mr C Johnson
Physical Education Teacher
