Dear Parent/Carer

Visit to St Edmund Hall and Corpus Christi College, University of Oxford – Tuesday 10th March 2020

As you'll be aware from previous correspondence, myself and Mr Jones have been working with your son or daughter this half term as a student who we feel is capable of achieving grades 7-9 across a multitude of subjects. The session this morning is the final one in a series of six, focussed on effective and advanced study techniques that I hope will support your son or daughter in their mock examinations in the fortnight following half term and ultimately in the summer.

As a follow up to the study skills sessions I am delighted to offer your son or daughter the opportunity to visit the University of Oxford on Tuesday 10th March 2020. Although your son or daughter may not necessarily have thought about Oxbridge as a potential university destination, submerging themselves in the academic environment that one of the world's leading universities offer will only benefit them moving forward. Although we have requested further spaces, the visit is currently limited to 30 students, which will be allocated on a first come first served basis through the reply slip below.

In order to arrive in good time students will need to meet at main reception at 8am for our departure via coach for Oxford. We aim to arrive back at the school site by 5:30pm but this will be dependent upon traffic. Lunch will be provided with students required to confirm dietary requirements ahead of the trip. The day will involve campus tours, workshops and opportunities to meet current students and academics. School uniform is to be worn for the visit. I am sure you will agree that this is a superb opportunity for the students and one I hope they both enjoy, and gain a lot from. If you are happy for your son or daughter to attend, and travel by coach then please ensure the reply slip below is completed and brought back to Mrs Burrows (P16 Administrator) on Monday 24th February 2020.

Yours sincerely

Mr M Jones
Senior Vice Principal
