

HEANOR GATE SCIENCE COLLEGE

“Develop all learners to achieve their full potential”
“Create a culture of aspiration”

Principal: **Mr S Huntington**

January 2020

Dear Parent/Carer

University visit to Murray Edwards College, Cambridge

As part of our work on raising aspirations of our students and encouraging them to aim high we would like to invite your child to attend an aspirations day at Murray Edwards College, Cambridge on Wednesday 12 February 2020, the school's immersion day. Students will be participating in a range of workshops, as well as touring the college and wider university, with current college students.

This is a really great opportunity for students from our school to gain experience of one of the most prestigious universities in the world and we have selected students who we believe have the potential to go on to study at this level. They will see what college life is like and have the chance to talk to students who are already there.

Students will need to arrive at school and meet in reception, ready to depart, at 7.00am. They will travel via minibus and will be accompanied by Mrs Terry, returning to school at approximately 4.00pm depending on traffic. Students will need to wear full school uniform, have a coat for an outside tour, and also have writing equipment. Lunch will be provided.

This trip is free. However, please logon to ParentPay to give consent for your child to attend, by 12 noon on Friday 7 February 2020.

If you have any queries regarding the trip, please don't hesitate to contact me at school or via email at mtyler@heanorgate.derbyshire.sch.uk

Yours sincerely

Mr M Tyler
Achievement Leader for Year 10
