

HEANOR GATE SCIENCE COLLEGE

“Develop all learners to achieve their full potential”
“Create a culture of aspiration”

Principal: **Mr S Huntington**

2 March 2020

Dear Parent/Carer

Year 11 Educational Evening: How to actively support your child with revision
Thursday 19 March 2020 - between 4.00pm and 6.00pm

We have less than 8 school weeks before the Year 11 final GCSE examinations. As part of our commitment to ensure that all students aspire to achieve their full potential, we are holding a further educational evening for parents and carers of certain Year 11 students.

The evening format will be as follows:

- 1) A 10 minute appointment with a subject teacher who has identified that your child would benefit from additional support in the run up to the final examinations
- 2) A review of your child's recent mock examination papers
- 3) Practical examination examples to help your child consolidate specific skills
- 4) Support and tips for parents to help students at home

We would appreciate you taking the time to confirm whether or not you can attend. Please do so by telephone or by email contact@heanorgate.derbyshire.sch.uk, giving us the times you are available between 4.00pm and 6.00pm.

Please respond by 12noon on Thursday 5 March.

Once we have received this information, appointment schedules will be issued; you will not be expected to stay for the duration of the evening.

Please do not underestimate the value of your support at this crucial time. Thank you for your continued support.

Yours sincerely

Mr S Phillips
Achievement Leader
