

HEANOR GATE SCIENCE COLLEGE

“Develop all learners to achieve their full potential”
“Create a culture of aspiration”

Principal: **Mr S Huntington**

January 2020

Dear Parent/Carer

As part of the immersion day on Wednesday 12 February 2020, your child has the opportunity to go on a Year 8 trip to the Yorkshire Sculpture Park.

The park is the UK's leading open-air gallery in West Bretton, near Wakefield in West Yorkshire. It shows work by British and international artists. The park has amazing views and some fantastic sculptures.

We will be leaving school at 9.10am and will return at approximately 3.00pm. As we will be outside for most of the day, it is advisable that students wear sensible and comfortable clothing and footwear (including a waterproof coat). Students will need to bring a packed lunch. There is a small café on site, but it can be expensive. **Please be aware that we have students who may be participating in this trip who have a serious nut allergy. Please avoid giving your son/daughter bagged nuts or products with a nut content, as even the smell can cause these students anxiety.** If your child is in receipt of free school meals and requires a packed lunch for this trip, please order one via ParentPay.

The total cost of the trip, including entry to the sculpture park and return coach travel, is **£11** per student. Please logon to ParentPay to make payment and give your consent.

If you have any concerns regarding costs for this trip, please contact Mrs Broderick, PA to the Principal, in confidence on extension 7056.

Yours sincerely

Gemma Kidd
Head of Design Technology
